

# What they're saying about the Positive Professor...

...over the years we've had a number of magicians entertain at our school. The teachers and I concur that you are the best we've ever had!

Larry Cook  
Dansville Elementary

Al and his friend, "weird PJ" after performing together in Kalamazoo.

... thank you for coming to our Young Authors Day. The students and faculty alike loved your magic. I was most impressed with your presentation; the audience participation, quick pace, and your adaptability to all ages. I look forward to having you back again soon.

Larry Wanic  
Bark River Elementary

...thank you very much for the excellent program. You definitely kept everyone's attention. I know you have made a great positive influence on our students.

Arthur W. Hummel  
Cedar Grove Academy

... Thank you very much for the excellent magic show. The students really enjoyed the assembly. The students interest and involvement was a highlight. Your message was well thought out - Super show!

Ed Snyder  
Boyne City Elementary School

...you helped make the dedication week [of the Gerald R. Ford Museum] the success that it was. Betty and I thank you for your efforts. Warmest best wishes,

Former President Gerald R. Ford
